

**Please help make sure all children in the Glen Ellyn area start the school year with basic school supplies!**

**\$35**

Will pay for supplies and backpack for one child

Many families in our area cannot afford to buy school supplies or winter outerwear for their children. Over the last ten years, **Supplies 4 Success** has provided essential schools supplies, winter outerwear and gym shoes to low-income children in our two local elementary school districts: District 89 & District 41.

Thanks to contributions from caring community members, last year alone S4S provided school supply kits and backpacks to more than 800 children and winter outerwear to more than 220 students! You can help ensure all Glen Ellyn area students are able to start the school year with the supplies they need by donating today.
